

Saint Asonia - Voice In Me

Tom: C

Intro: F

Verse 1:

F Here I go, I need to confess this
 F Em I've been scared for so long and you have been to witness
 F Am I know you're looking for some answers
 F Em But I still lie awake at night wondering who I really am
 Am C

Pre-Chorus:

Am Over and over and over again
 C Em It speaks to me
 C There's a voice inside me
 C Em (G) The only child that was left alone

Chorus:

Am C Am C I know that you're hurt, your cries are so loud
 C G Em One day I'll be the one to make you proud
 Am C Am C Or maybe for your sake, I'll just walk away
 Am G C Am 'Cause I can't watch you drown in the flood I've made

Verse 2:

F Here I sit in the dark defenseless
 F Am I'm saying sorry in my head for the things I've done to the ones I love
 F Em I surrendered myself a long ago
 F But there's something that's inside of me
 Am C It's too strong and takes a hold

Pre-Chorus:

Am Over and over and over again

C Em It speaks to me
 C There's a voice inside me
 C Em (G) The only child that was left alone

Chorus:

Am C Am C I know that you're hurt, your cries are so loud
 C G Em One day I'll be the one to make you proud
 Am C Am C Or maybe for your sake, I'll just walk away
 Am G C Am 'Cause I can't watch you drown in the flood I've made

Am

And now there's pages turning
 C And there's houses burning
 Em C Em Gotta get out of head today
 Am It's always me you're blaming
 Em Am I'll never be the same
 Em G And now the stains of you will never wash
 G C Never wash me away

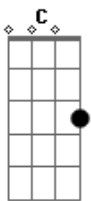

Chorus:

Am C Am C I know that you're hurt, your cries are so loud
 C G Em One day I'll be the one to make you proud
 Am C Am C Or maybe for your sake, I'll just walk away
 Am G C Am 'Cause I can't watch you drown in the flood I've made

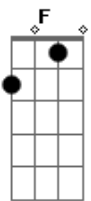

Outro:

F Am The voice in me
 Am C There's a voice in me
 C Am Em G The voice in me
