

# Saint Asonia - Waste My Time

Tom: Gb

(forma dos acordes no tom de G )

Afinação: Eb Ab Db Gb Bb Eb

[Intro] G G Em  
Em C D G

G Em D  
Hold on to me like we're the only ones that see

C D G  
The sky above us falling down

Em C  
And breath in my ear like we're the only ones that hear

D  
The mountains crashing down

G Em D  
I have wasted most of my life

C D G  
playing games that I knew I'd lose

Em D  
Let me sing to you just sit here don't move

C D G  
I just wanna waste some time with you

( G G Em Em C D G )

G Em D  
So take my hand. I don't understand

C D G  
How they kept us apart for so long

Em C  
And smile so I can see that it's really you in front of me

D G  
Cause its still just so hard to believe

G Em D  
I have wasted most of my life

C D G  
playing games that I knew I'd lose

Em D  
Let me sing to you just sit here don't move

C D G  
I just wanna waste some time with you

Em D  
Forcing back the tears  
Over all the years

C D Em  
Boarding up the doors and throwing my hope to the floor

D  
I could not forget  
And now it all makes sense

C D  
That your here with me and I never, never want to leave

G Em D  
I would have wasted most of my life

C D G  
Never even knowing you

Em D  
Now you sing to me and I still don't believe

C D G  
That you wanna waste some time with me

Em D  
Let me sing to you just sit here don't move

C D G  
I just wanna waste some time with you

Em D  
Now you sing to me and I still don't believe

C D G  
That you wanna waste your time with me
