G  
I have always been different just a little D  
A Gbm  
But enough to start believing

Might be something wrong with me

But my mother said

Bm A  
Every, every  
D  
Everybody  
G  
Is weird, is weird  
Bm  
Keep it up, straight ahead  
A D  
Be yourself and don?t pretend  
G  
Don?t pretend

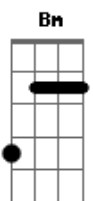

Bm D  
Oh I was hiding in the shade behind the masses  
A D  
I was blinded by the light and all the flashes  
G D  
But the truth inside would burn my fears to ashes
