

# Saint PHNX - One

Tom: G  
Intro: F C Am G  
F C G Am

( Am )

I'll be the shadow in the night  
I'll be the one you can't ignore  
Like a river running wild  
I am a man without a home  
We need to change  
Feel the heat and watch it turn  
Like a shot from a loaded gun  
I'll be the one

Am F C  
I'll take you higher  
I'll always be the one  
Am F C  
Our hearts are burning fire

I'll be the one, I'll be the one  
Like the shot from a loaded gun  
I'll be the one

( F C Am G )

I'll be the one

( F C G Am )

Am  
I'll be the one that breaks you down  
Starts a fever through your bones  
Like the thunder from a storm  
I am a man without a soul  
We need to change  
Feel the heat and watch I turn  
Like a shot from a loaded gun  
I'll be the one

Am F C  
I'll take you higher  
I'll always be the one  
Am F C  
Our hearts are burning fire

I'll be the one, I'll be the one  
Like the shot from a loaded gun  
I'll be the one

( F C Am G )  
( F C G Am )

F C Am  
When a cold wind blows  
In the dead of night

When your lungs are bleeding  
Through the struggle and fight

Are you close to the edge  
Will you take off and fly

Or live with regret  
Till the day you die?

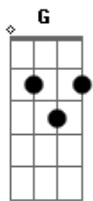

Am  
I live the way I wanna be  
Won't change the way  
I wanna be I live the way I wanna be, oh oh

I'll be the one  
Am F C  
I'll take you higher  
I'll always be the one  
Am F C  
Our hearts are burning fire  
I'll be the one, I'll be the one  
Like the shot from a loaded gun  
I'll be the one

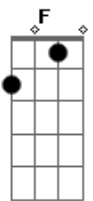

( F C Am G )  
( F C G Am )

I'll be the one
