

# Maaya Sakamoto - Waiting for the Rain

tom:

Ab

G Bm

I'm waiting for the rain  
 D Em  
 I'm bracing for the thunder  
 D Bm  
 A twig that wouldn't sway  
 A  
 In the wind  
 G Bm  
 Awaken from a dream  
 D Em  
 Arising from a slumber  
 D Bm  
 I'm far away from home  
 A  
 On my own  
 Dm C  
 Hear my yearning  
 Am Bb  
 See the crimson flame  
 Dm  
 Like a ruby  
 Eb  
 It's the hope  
 F  
 In my eye  
 Eb  
 If you go away  
 And I don't see you anymore  
 Dm  
 I still wouldn't sway  
 But I'd be  
 Gm F  
 Missing you  
 C  
 Now don't be afraid  
 Bb  
 You the flower couldn't sting  
 Dm  
 You can hide in my shade  
 G  
 Or maybe I  
 F  
 Could I be safe  
 D  
 In yours?  
 G Bm  
 A moment left to bloom  
 D Em

I wither by the morning  
 D Bm  
 Can we be staying here  
 A  
 For a while  
 Dm C  
 Hear my yearning  
 Am Bb  
 See my raging light  
 Dm Eb  
 It's my token that we won't  
 F  
 Say goodbye  
 Eb  
 If you go away  
 And I don't see you anymore  
 Dm  
 I still wouldn't sway  
 But I'd be  
 Gm F  
 Missing you  
 C  
 Now don't be afraid  
 Bb  
 You the flower couldn't sting  
 Dm  
 You can hide in my shade  
 G  
 Or maybe I  
 Eb  
 Would go away  
 And I don't see you anymore  
 Dm  
 I still wouldn't sway  
 But I'd be  
 Gm F  
 Missing you  
 C  
 Now don't be afraid  
 Bb  
 We are lasting yet awhile  
 Dm  
 I will give you a day  
 G  
 Or maybe I  
 F  
 Could I have one  
 D  
 Of yours?  
 G Bm  
 I'm waiting for the rain
