

# SALES - Chinese New Year

Intro: **D G D G**

Tom:

I see you at the movies  
 I see you with your lipstick on  
 I'm looking at the cosmos  
 I'm hoping that we get along  
 It's time for innovation  
 It's time for us to make a change  
 It's time for a Chinese New Year  
 It's time for me to make my way

Then I get  
 Not I can't, wait to get far from here  
 No I can't, I can't wait to get out of here  
 No I can't, no I can't, no I can't wait to get out of here

I see you at the movies  
 I see you with your lipstick on  
 I'm looking at the cosmos  
 I'm hoping that we get along  
 It's time for innovation  
 It's time for us to make a change  
 It's time for a Chinese New Year  
 It's time for me to make my way  
 Swears a lot and I bared a lot  
 I was there a lot last year  
 Wept a lot, oh baby you slept a lot  
 I was left a lot last year  
 Pleased a lot, baby you seized my heart  
 And I started to fall last year
