F C Am G  
 One day I will  
 Get drunk and txt you  
 And I'll say  
 And I'll say  
 That I want you  
 Lets get coffee  
 When you're down  
 When you're down  
 Yeah you scare me  
 The nicest person  
 I will wait

I will wait  
 Dali said that  
 You want me also  
 Will you say  
 Will you say  
 I thought no one would think about me  
 But it's not surprising that  
 You thought about me  
 I thought  
 You'd feel like an ocean all reactive  
 And lucid in emotion why'd you think  
 About me
