 One day I will
 Get drunk and txt you
 And I'll say
 And I'll say
 That I want you
 Lets get coffee
 When you're down
 When you're down
 Yeah you scare me
 The nicest person
 I will wait

I will wait
 Dali said that
 You want me also
 Will you say
 Will you say
 I thought no one would think about me
 But it's not surprising that
 You thought about me
 I thought
 You'd feel like an ocean all reactive
 And lucid in emotion why'd you think
 About me
