

Sam Alves - Mirrors

Tom: C

Verse I:

F Am Em Dm
Aren't you somethin' to admire, cause your shine is somethin'
like a mirror

E Am Em Dm Em
And I can't help but notice, you reflect in this heart of mine
through

Am Em Dm F
If you ever feel alone and the glare makes me hard to find
Just know that I'm always Parallel on the other side

Pre-Chorus:

Am Em
'Cause with your hand in my hand and a pocket full of soul
I can tell you there's no place we couldn't go

Em
Just put your hand on the glass, I'll be tryin' to pull you
through

Dm
You just gotta be strong

Chorus:

C
Cause I don't wanna lose you now
I'm lookin' right at the other half of me

C F
The vacancy that set in my heart
Is a space that now you hold

C
Show me how to fight for now
And I'll tell you baby, it was easy

Am C
Comin' back into you once I figured it out
You were right here all along

C
It's like you're my mirror
(oh oh) My mirror staring back at me

C F
I couldn't get any bigger
(oh oh) With anyone else beside of me

C
And now it's clear as this promise
That we're making two reflections into one

C
Cause it's like you're my mirror
(oh oh) My mirror staring back at me, staring back at me

Aren't you somethin' an original Cause it doesn't seem
really as simple

eyes

that about you
