

# Sam Fischer - The City

tom:  
 Capotraste na 4ª casa  
 Intro: C G Em D

[Primeira Parte]

I've been seeing lonely people in crowded rooms  
 Covering their old heartbreaks with new tattoos  
 It's all about smoke screens and cigarettes  
 Looking through low lights at silhouettes  
 But all I see is lonely people in crowded rooms

[Refrão]

This city's gonna break my heart  
 This city's gonna love me then leave me alone  
 This city's got me chasing stars  
 It's been a couple months since I felt like I'm home  
 Am I getting closer to knowing where I belong?  
 This city's gonna break my heart  
 She's always gonna break your heart, oh

I remember mornings when my head didn't hurt  
 And I remember nights when art didn't feel like work  
 She wakes up at noon and she's out 'til three  
 She leaves her perfume all over me  
 But I remember mornings when my head didn't hurt

[Refrão]

This city's gonna break my heart  
 This city's gonna love me then leave me alone  
 This city's got me chasing stars  
 It's been a couple months since I felt like I'm home  
 Am I getting closer to knowing where I belong?  
 This city's gonna break my heart  
 She's always gonna break your heart, oh  
 ( C G Em D )  
 [Ponte]

She got a hold on me  
 She got me wrapped round her finger  
 She got a hold on me  
 She got me wrapped round her finger, oh yeah
