

Sam Fisher - Carry It Well

tom:
 A (forma dos acordes no tom de G)
 Capotraste na 2ª casa
 Intro: G D Em D C G Am7

[Primeira Parte]

G D Em
 Come home, get high
 Forget about the time between my highlights
 Yeah, I know but I'm fine, it's been a rough time
 G D Em
 Poker face, in play
 Otherwise it makes me think I'm unsafe
 Yeah, I know, it's strange, wish it wasn't this way

[Pré-Refrão]

C G Am7
 But no one seems to know any better
 I designed it that way
 C G Am7
 I know it seems I have it together, but

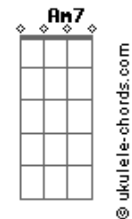

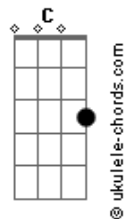

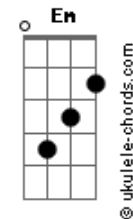

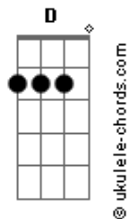

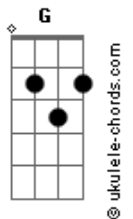

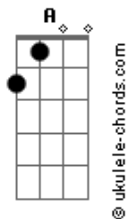

[Refrão]

G D Em
 Just because I carry it well
 Doesn't mean it isn't heavy and I don't need some help
 I know I keep it locked down, but all I want now
 Is somebody who can tell me how it's gonna turn out
 'Cause I thought I'd be doing better by now
 I thought I'd be doing better by now
 But don't I carry it well?

[Segunda Parte]

G D Em
 I'm grateful but impatient, get hateful, but I'm sided
 So those who mean the most who get the best of me
 C G Am7
 And I can't come back home and fight the rest of me
