

Sam Fisher - This City

tom:

Intro: F C F C
[Primeira Parte]

I've been seeing lonely people in crowded rooms
Covering their old heartbreaks with new tattoos
It's all about small screens and cigarettes
Looking through low lights at silhouettes
But all I see is lonely people in crowded rooms

[Refrão]

This city's gonna break my heart
This city's gonna love me then leave me alone
This city's got me chasing stars
It's been a couple months since I felt like I'm home
Am I getting closer to knowing where I belong?
This city's gonna break my heart
She's always gonna break your heart, oh

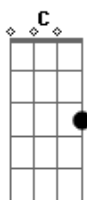

[Segunda Parte]

I remember mornings when my head didn't hurt
And I remember nights when art didn't feel like work
She wakes up at noon and she's out 'til three
She leaves her perfume all over me
But I remember mornings when my head didn't hurt

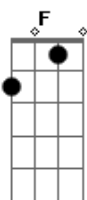

[Refrão]

She got a hold on me
She got me wrapped round her finger
She got a hold on me
She got me wrapped round her finger, oh yeah
