Oh, but I should have known

That before I met you, that I manifest
You

C C7M
And fall deep in love with your soul

Am C
A-HO... to the waters that flow

F
That cleanse our great spirit

C
And wash away all that is old

C7M Am
From so long ago

Rain

And run with the wolves far away

An endearing endeavour

This forever journey

How you come to learn me
