tom:  
 A (forma dos acordes no tom de G )  
 Capotraste na 2ª casa

Intro: D G  
 There stands the glass  
 That will ease all my pain  
 That will settle my brain  
 It's my first?one?today

There stands the?glass  
 That-that will ease all my pain  
 That-that?will settle my brain  
 It's-it's my first one today

Ayy  
 I saw your sister at work  
 I saw your mama at church  
 I'm pretty sure I saw your car at the mall  
 I see your face in the clouds  
 I smell your perfume in crowds  
 I swear your number's all my phone wants to call

[Pré-Refrão]

It's kinda funny how I can't seem  
 To get away from you  
 It's almost like you don't want me to  
 [Refrão]

You've got a cold heart and the cold hard truth  
 I got a bottle of whiskey, but I got no proof  
 That you showed up tonight  
 In that dress just to mess with my head  
 So much for so long  
 Out of sight, out of mind  
 Girl, you're lookin' so good  
 It's drivin' me out of mine  
 Oh, you're breakin' my heart  
 Baby, you're playin' hard to forget

Told me to leave all your things  
 Out on the porch, on the swing  
 You'll come and grab 'em by the end of the week  
 Well, it's just some jeans and a shirt

But it's a whole lot of hurt  
 I think I know why you've been dragging your feet  
 [Pré-Refrão]

Ain't it funny how I can't seem  
 To get away from you  
 It's almost like you don't want me to

[Refrão]

You've got a cold heart and the cold hard truth  
 I got a bottle of whiskey, but I got no proof  
 That you showed up tonight  
 In that dress just to mess with my head  
 So much for so long  
 Out of sight, out of mind  
 Girl, you're lookin' so good  
 It's drivin' me out of mine  
 Oh, you're breakin' my heart  
 Baby, you're playin' hard to forget

[Ponte]

There stands the?glass  
 That-that will ease all my pain  
 That-that?will settle my brain  
 It's-it's my first one today

[Refrão]

[Outro]

Oh honey, I'm fallin' apart  
 And you're playin' hard to forget
