

# Sam Hunt - Leave The Night On

Tom: A

Intro: A E

A E Gbm D  
They roll the sidewalks in this town all up after the sun goes down

A E Gbm D  
They say nothin' good happens here when midnight rolls around

A E Gbm D  
But layin' down would be in vain I can't sleep with you on my brain

A E Gbm D  
And I ain't anywhere close to tired your kiss has got me wired

D A  
Girl, you got the beat right, killin' in your levis

E Gbm - E  
High on your loving's got me buzzin' like a streetlight

D A E  
It's still early out in Cali, baby, don't you wanna rally again?

D A  
We'll find a road with no name, lay back in the slow lane

E Gbm - E  
The sky is dropping jupiter around us like some old train

D  
We'll be rolling down the windows

A E  
I bet you we're catchin' our second wind

D  
We don't have to go home, we can leave the night on

We can leave the night on, yeah yeah

A D Gbm  
Now all the stars are turnin' blue just kissed the clock 2: 22

A D Gbm  
Baby, I know what you're wishin' for I'm wishin' for it too

A D Gbm  
Now all the lights are flashin' gold nobody cares how fast we go

A D Gbm  
Our soundtrack's in the stereo this dj's on a roll

D A  
Girl, you got the beat right, killin' in your levis

E Gbm - E  
High on your loving's got me buzzin' like a streetlight

D A E  
It's still early out in Cali, baby, don't you wanna rally again?

D A  
We'll find a road with no name, lay back in the slow lane

E Gbm - E  
The sky is dropping jupiter around us like some old train

D  
We'll be rolling down the windows

A E  
I bet you we're catchin' our second wind

D  
We don't have to go home, we can leave the night on

( D A )

A D  
The sun'll steal the magic from us soon

A Bm  
So let's take one more trip around the moon
