

Sam Hunt - Make You Miss Me

Tom: G

Every new song its your favorite
 Pretty soon you'll be changing the station
 And all your old shoes are looking brand new
 They wanna be worn but they never get the chance to
 Heavy into everything ready for the next thing
 Gets your eye for a while then youre over it
 You change your mind on it scream when the shines gone
 Like you always do You don't know it yet but

Oooh oooh oooh
 I aint gonna be that easy to leave
 Oooh oooh oooh
 Girl im gonna make you miss me

Make you wish you were sleeping in my shirt
 Lie about my jacket and tell everyone its yours
 When your phone rings after midnight and you thinking maybe
 its me
 Gonna make you miss me

Holding out, burnt out like a match
 Keep a slipknot in the strings you attach
 Think its easy, that's a lie
 The only reason that youre good at goodbye is
 Every boy you've ever met was too easy to forget

But I aint going out like that
 Oooh oooh oooh
 I aint gonna be that easy to leave
 Oooh oooh oooh
 Girl im gonna make you miss me

Make you wish you were sleeping in my shirt
 Lie about my jacket and tell everyone its yours
 When your phone rings after midnight and you thinking maybe
 its me
 Gonna make you miss me

Solo (Em C D G 2x)

Oooh oooh oooh
 I aint gonna be that easy to leave
 Oooh oooh oooh
 Girl im gonna make you miss me

Writing letters that youre never gonna mail
 Stay up and paint my favorite shade of red on your nails
 Cause you cant fall sleep and youre wishing you were with me
 Im gonna make you miss me
 Make you miss me, Make you miss the way my hand fit in your
 hand
 When you're dialing my number listening to my favorite bands
 Ill say baby you know you can stay so come and get me
 Gonna make you miss me
 Gonna make you miss me

Acordes
