

Sam Hunt - Make You Miss Me

```
Tom: G

Every new song its your favorite
Pretty soon you'll be changing the station
And all your old shoes are looking brand new
They wanna be worn but they never get the chance to
Heavy into everything ready for the next thing
Gets your eye for a while then youre over it
You change your mind on it scream when the shines gone
Like you always do
                        You don't know it yet but
Ooooh oooh oooh
I aint gonna be that easy to leave
Oooh oooh oooh
Girl im gonna make you miss me
Make you wish you were sleeping in my shirt
Lie about my jacket and tell everyone its yours
When your phone rings after midnight and you thinking maybe
Gonna make you miss me
Holding out, burnt out like a match
Keep a slipknot in the strings you attach
Think its easy, that's a lie
The only reason that youre good at goodbye is
Every boy you've ever met was too easy to forget
