

# Sam Riegel - Circle The World

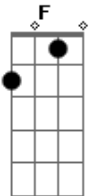

tom:  
Am  
Am  
It's moments like these when you really  
Am  
F  
Start to question it all  
G  
Like why am I here? And you're over there  
F  
All alone?  
Am  
Oh I wanna say the right things, but I  
F  
Can't find the words  
G  
Just wanna put you first  
F  
Don't ever wanna be apart

I would let myself burn  
Am  
F  
If it meant that I could save you  
Am  
G  
Not even hesitate to walk through the fire  
G  
If it was the only way to get to you  
Am  
I would circle the world  
F  
And wouldn't stop until I find you  
G  
Am  
I'd search the night for the stars  
F  
G  
Hoping they'd lead me back to you  
Am  
F  
I would circle the world  
Am  
F  
You know I'd circle the world
