

# Sam Smith - Drowning Shadows

Tom: G  
Intro: Em D G C B7

Verse:  
Running around chasing hearts,  
chasing bodies to fix the parts.  
I don't know how I reached this place,  
so far from heaven, so far from grace.

Pre-Chorus:  
And I want to give in to the pressure,  
'cause I feel like the city's got the better of me.  
Oh, this casual love isn't what it seems,  
and I try to imagine something closer  
and somebody who is good for me  
I'm so tired of all this searching,  
Do I, do I, do I, do I?

Chorus:  
Go home to nothing or stay out for more?  
Give in to someone or lock down my door?  
Or drown all my shadows, drown them like before?  
Drowning shadows once more.

Verse 2:  
The more I drink, the more I drown,  
If I'm not thinking, I won't lay down.

The more I rise above it all,  
The less I care about the fall.

Pre-Chorus:  
And I want to give in to the pressure,  
'cause I feel like the city's got the better of me.  
Oh, this casual love isn't what it seems,  
and I try to imagine something closer  
and somebody who is good for me  
I'm so tired of all this searching,  
Do I, do I, do I, do I?

Chorus:  
Go home to nothing or stay out for more?  
Give in to someone or lock down my door?  
Or drown all my shadows, drown them like before?  
Drowning shadows once more.  
Once more.  
Once more.

Chorus:  
Go home to nothing or stay out for more?  
Give in to someone or lock down my door?  
Or drown all my shadows, drown them like before?  
Drowning shadows once more.
