

# Sam Smith - Fire On Fire

Tom: G

My mother said I'm too romantic  
 She said: You're dancing in the movies  
 I almost started to believe her  
 Then I saw you and I knew  
 Maybe it's 'cause I got a little bit older  
 Maybe it's all that I've been through  
 I'd like to think it's how you lean on my shoulder  
 And how I see myself with you

I don't say a word  
 But still, you take my breath and steal the things I know  
 There you go, saving me from out of the crowd

Fire on fire, we're normally killers  
 With this much desire, together, we're winners  
 They say that we're out of control and some say we're  
 Sinners

But don't let them ruin our beautiful rhythms  
 'Cause when you unfold me and tell me you love me  
 And look in my eyes  
 You are perfection, my only direction  
 It's fire on fire  
 It's fire on fire

When we fight, we fight like lions  
 But then we love and feel the truth  
 We lose our minds in a city of roses  
 We won't abide by any rules

I don't say a word

But still, you take my breath and steal the things I know  
 There you go, saving me from out of the crowd

Fire on fire, we're normally killers  
 With this much desire, together, we're winners  
 They say that we're out of control and some say we're  
 sinners

But don't let them ruin our beautiful rhythms  
 'Cause when you unfold me and tell me you love me  
 And look in my eyes  
 You are perfection, my only direction  
 It's fire on fire  
 Ooh, It's fire on fire

Fire on fire, we're normally killers  
 With this much desire, together, we're winners  
 They say that we're out of control and some say we're  
 sinners

But don't let them ruin our beautiful rhythms  
 Fire on fire, we're normally killers  
 With this much desire, together, we're winners  
 They say that we're out of control and some say we're  
 sinners

But don't let them ruin our beautiful rhythms  
 'Cause when you unfold me and tell me you love me  
 And look in my eyes  
 You are perfection, my only direction  
 It's fire on fire  
 It's fire on fire

You are perfection, my only direction  
 It's fire on fire
