

Sam Smith - Fire On Fire

Tom: G

My mother said I'm too romantic
 She said: You're dancing in the movies
 I almost started to believe her
 Then I saw you and I knew
 Maybe it's 'cause I got a little bit older
 Maybe it's all that I've been through
 I'd like to think it's how you lean on my shoulder
 And how I see myself with you

I don't say a word
 But still, you take my breath and steal the things I know
 There you go, saving me from out of the crowd

Fire on fire, we're normally killers
 With this much desire, together, we're winners
 They say that we're out of control and some say we're sinners
 But don't let them ruin our beautiful rhythms
 'Cause when you unfold me and tell me you love me
 And look in my eyes
 You are perfection, my only direction
 It's fire on fire
 It's fire on fire

When we fight, we fight like lions
 But then we love and feel the truth
 We lose our minds in a city of roses
 We won't abide by any rules

I don't say a word

But still, you take my breath and steal the things I know
 There you go, saving me from out of the crowd

Fire on fire, we're normally killers
 With this much desire, together, we're winners
 They say that we're out of control and some say we're sinners
 But don't let them ruin our beautiful rhythms
 'Cause when you unfold me and tell me you love me
 And look in my eyes
 You are perfection, my only direction
 It's fire on fire
 Ooh, It's fire on fire

Fire on fire, we're normally killers
 With this much desire, together, we're winners
 They say that we're out of control and some say we're sinners
 But don't let them ruin our beautiful rhythms

Fire on fire, we're normally killers
 With this much desire, together, we're winners
 They say that we're out of control and some say we're sinners
 But don't let them ruin our beautiful rhythms
 'Cause when you unfold me and tell me you love me
 And look in my eyes
 You are perfection, my only direction
 It's fire on fire
 It's fire on fire

You are perfection, my only direction
 It's fire on fire
