

# Sam Smith - Forgive Myself

tom:  
 Capotraste na 3ª casa  
 Intro: C Em Am F

[Primeira Parte]

Do you think of me  
 When you're in California alone  
 I won't lie to you  
 I could have given you more  
 But life got fast  
 Good things don't last anymore

[Pré-Refrão]

Now and then you cross my mind  
 It takes me back to a sweeter time  
 But I let it go  
 I let you go

[Refrão]

'Til I wake up in the morning, you're all that I see  
 You run through my head, in and out of my dreams  
 Breathe for a minute, try and focus on me  
 But I can't think of anyone else  
 Now my heart is broken and I'm crying on the floor  
 And every part of me hopes you walk through the door  
 But you'r? not here, baby  
 And I can't love anyone? else  
 'Til I forgive myself

[Segunda Parte]

C

Did you lie to me  
 When you said I was all that you need?  
 Guess we'll never know all the beautiful things we could be

[Pré-Refrão]

Now and then you cross my mind  
 It takes me back to a sweeter time  
 But I let it go  
 I let you go

[Refrão]

'Til I wake up in the morning, you're all that I see  
 You run through my head, in and out of my dreams  
 Breathe for a minute, try and focus on me  
 But I can't think of anyone else  
 Now my heart is broken and I'm crying on the floor  
 And every part of me hopes you walk through the door  
 But you'r? not here, baby  
 And I can't love anyone? else  
 'Til I forgive myself, ooh  
 'Til I forgive myself, ooh

'Til I wake up in the morning, you're all that I see  
 You run through my head, in and out of my dreams  
 Breathe for a minute, try and focus on me  
 But I can't think of anyone else  
 Now my heart is broken and I'm crying on the floor  
 And every part of me hopes you walk through the door  
 But you'r? not here, baby  
 And I can't love anyone? else  
 'Til I forgive myself
