

# Sam Smith - How Do You Sleep?

Tom: E

Intro: Em G Bm A

[Primeira Parte]

Em G  
I'm done hating myself for feeling  
Bm A  
I'm done crying myself awake  
Em G  
I've gotta leave and start the healing  
Bm A  
But when you move like that, I just want to stay

[Pré-Refrão]

Em  
But what have I become?  
G  
I'm looking through your phone now, oh now  
Bm A  
Love to you is just a game  
Em  
Look what I have done  
G  
I'm dialing up the numbers on you  
Bm A  
I don't want my heart to break

[Refrão]

Em  
Baby, how do you sleep when you lie to me?  
G  
All that shame and all that danger  
Bm A  
I'm hoping that my love will keep you up tonight  
Em  
Baby, how do you sleep when you lie to me?  
G  
All that fear and all that pressure  
Bm A  
I'm hoping that my love will keep you up tonight

[Pré-Refrão]

Em G Bm  
Tell me how do you  
A  
Love will keep you up tonight  
Tell me how do you

[Segunda Parte]

Em G  
Oh no, how did I manage to lose me?

Bm A  
I am not this desperate, not this crazy  
Em G A  
There's no way I'm stickin' 'round to find out  
Bm D A  
I won't lose like that, I won't lose myself

[Pré-Refrão]

Em  
Look what I have done  
G  
I'm dialing up the numbers on you  
Bm A  
I don't want my heart to break

[Refrão]

Em  
Baby, how do you sleep when you lie to me?  
G  
All that shame and all that danger  
Bm A  
I'm hoping that my love will keep you up tonight  
Em  
Baby, how do you sleep when you lie to me?  
G  
All that fear and all that pressure  
Bm A  
I'm hoping that my love will keep you up tonight

[Pré-Refrão]

Em G Bm  
Tell me how do you  
A  
Love will keep you up tonight  
Em G Bm  
Tell me how do you  
A  
Love will keep you up tonight

[Refrão]

Em  
Baby, how do you sleep when you lie to me?  
G  
All that shame and all that danger  
Bm A  
I'm hoping that my love will keep you up tonight  
Em  
Baby, how do you sleep when you lie to me?  
G  
All that fear and all that pressure  
Bm A  
I'm hoping that my love will keep you up tonight

(Tell me how do you)
