

# Sam Smith - Midnight Train

Tom: Db

m [Intro] E B A Am

E B  
I choose me, and I know that's selfish, love  
A  
You are a dream, and I can't thank you enough  
B  
But I give another piece of me away  
Am  
Every waking day that I'm with you  
E B  
Am I a monster? What will your family think of me?  
A  
They brought me in, they helped me out with everything  
B  
But I give a little piece of me away  
Am  
Every single day  
E B  
So I pick up the pieces, I get on the midnight train  
A  
I got my reasons, but darling I can't explain  
B  
I'll always love you  
Am  
But tonight's the night I choose to walk away  
E B  
Bah-bah, doo, bah-bah, doo  
A Am  
Bah-bah, doo, bah-bah, doo  
B  
E  
Love you so much that I have to let you go

A  
I'll miss your touch and the secrets we both know  
B  
But it would be wrong for me to stay  
Am  
And I'll just give you hope  
E B  
So I pick up the pieces, I get on the midnight train  
A  
I got my reasons, but darling I can't explain  
B  
I'll always love you  
Am  
But tonight's the night I choose to walk away  
E B  
I can't stop crying, I hate that I've caused you pain  
A  
But I can't deny it, I just don't feel the same  
B  
I'll always love you  
Am  
But tonight's the night I choose to walk away  
E B  
Bah-bah, doo, bah-bah, doo  
A Am  
Bah-bah, doo, bah-bah, doo  
B  
E  
So I pick up the pieces, I get on the midnight train  
A  
I got my reasons, but darling I can't explain  
B  
I'll always love you  
Am  
But tonight's the night I choose to walk away
