

# Sam Smith - Scars

Tom: D

**Bm**  
This is for my mother

**A** **D** **G**  
From the older brother of your children, made of three

**Bm**  
Now you found your lover

**A** **D** **G**  
Cause it wasn't our father who made you laugh and happy

**Bm**  
It's been a long five years

**A** **D** **G**  
I've cried a thousand tears, and here we are after the war

**Bm**  
But we're so much better

**A** **D** **G**  
Now the skies are clearer, now there's no more slamming doors

Now, I say  
**Bm7** **A** **G** **D**  
Dear Mother, how you've come so far

**Bm7** **A** **G** **D**  
Your love has fixed all of our broken hearts

**Bm7** **A** **G** **D**  
I hope you're proud, Mother, of what you've done

**Bm7** **A** **G**  
It's a lifelong lesson and I'm not pretending when I say

**Bm7** **A** **G** **D**  
You cleared up my scars

**Bm7** **A** **G** **Bm7**  
You cleared up my scars

**Bm**  
This is for my father

**A** **D** **G**  
From the older brother of your children made of three

**Bm**  
Yeah, you've been so good to us

**A** **D** **G**  
And showed us how to live and taught us to be free

**Bm**  
But when Mother told you

**A** **D** **G**  
That she didn't love you, all these bridges hit the sea

**Bm**  
So you built another one

**A** **D** **G**  
And helped us cross it, even though you were in need

Now, I say  
**Bm7** **A** **G** **D**  
Dear Father, how you've come so far

**Bm7** **A** **G** **D**  
Your love has fixed all of our broken hearts

**Bm7** **A** **G** **D**  
I hope you're proud, Father, of what you've done

**Bm7** **A** **G**  
It's a lifelong lesson and I'm not pretending when I say

**Bm7** **A** **G** **D**  
You cleared up my scars

**Bm7** **A** **G** **Bm7**  
You cleared up my scars

**Bm7** **A** **G** **D**  
You cleared up my scars

**Bm7** **A** **G** **Bm7**  
You cleared up my scars

**Bm7** **A** **G** **D**  
Dear Mother, how you've come so far

**Bm7** **A** **G** **D**  
Your love has fixed all of our broken hearts

**Bm7** **A** **G** **D**  
I hope you're proud, Mother, of what you've done

**Bm7** **A** **G**  
It's a lifelong lesson and I'm not pretending when I say

**D**  
You cleared up my scars
