

Sam Smith - Who We Love (feat. Ed Sheeran)

tom: **B**

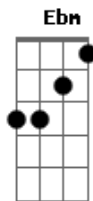

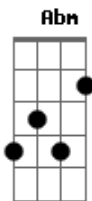

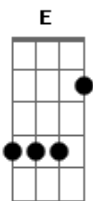

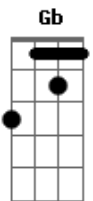

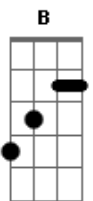

B
Colour the empty space
Gb
Kiss in a crowded place
E
Stand in the Summer rain
B
Tangled in awkward shapes
Gb
A new but familiar taste
E
You're feeling it all again

E B
It's not wrong
Abm Gb
To want the world for someone
Ebm E
It's not a feeling you can run from
'Cause we love who we love

E B
So let go
Abm Gb
You don't know better than your heart knows
Ebm E
Whether they're here or long gone
We love who we love
Yeah, we love who we love

B
Footprints along the sand
Gb
Whispers of sweet romance
E
Sound of a wedding band
B
Holding hands in the street
Gb
No need to be discreet
E

Acordes

Finally feeling free

E B
It's not wrong
Abm Gb
To want the world for someone
Ebm E
It's not a feeling you can run from
'Cause we love who we love

E B
So let go
Abm Gb
You don't know better than your heart knows
Ebm E
Whether they're here or long gone
We love who we love
Yeah, we love who we love

B
The universe has pulled us closer
Gb E
I trust whatever's brought me here to you
You can never lose

If love is what you feel, then
E B
It's not wrong
Abm Gb
To want the world for someone
Ebm E
It's not a feeling you can run from
'Cause we love who we love

E B
So let go
Abm Gb
You don't know better than your heart knows
Ebm E
Whether they're here or long gone
We love who we love
Yeah, we love who we love
