

# Sam Tompkins - Stand Ten Feet Away From Me

tom:

Intro: G Em Bm A

[Primeira Parte]

G Em  
I can't resist you

Bm A  
My problem is that I just wish I was in your sight

G Em  
I play the victim

Bm A  
But I don't have the courage to say you're on my mind

G Em  
So I plead the fifth and

Bm A  
Continue as you're only friend and you stay blind

G Em  
Baby keep your distance

Bm A  
The thing you have will never end, I just need to find the time

[Pré-Refrão]

G Em  
I don't want to, but I have have to let you down

Bm A  
It's too hard to wait around for you to want me

G Em  
Cos girl I want you, but I trying not to drown

Bm A  
Without making any sounds, please just listen to me

[Refrão]

G Em  
And stand ten feet away from me at all times

Bm A  
I know it's not your problem but my, armours gonna soften and I

G Em  
Can barely breathe am I alright?

Bm A  
I really wanna stop them but my feelings don't like the sunlight

[Segunda Parte]

G Em  
This loves na issue

Bm A  
I don't want to be here falling but I am (oh no)

G Em  
I wanna continue

Bm A  
But when you call me I come crawling just like that

[Pré-Refrão]

G Em  
I don't want to, but I have have to let you down

Bm A  
It's too hard to wait around for you to want me

G Em  
Cos girl I want you, but I trying not to drown

Bm A  
Without making any sounds, please just listen to me

[Refrão]

G Em  
And stand ten feet away from me at all times

Bm A  
I know it's not your problem but my, armours gonna soften and I

G Em  
Can barely breathe am I alright?
