tom:

B

[Verso]

E Did you ever feel like you wanna be someone else for just one day? B

E Did you ever feel like you wanna see through another pair of eyes? B

E Did you ever think I might wanna be with anyone else for just one day? B

E Did you ever really think of me, when I walked away? B

E The look, the dunks, and the bottle of Jack B

E The smokes, the slouch, and my eyes down B

E You think you know what you think you'll find B

E You think you'll figure me out tonight B

E But you'll never know what I won't share cause B

E I don't care, no I don't care B

E You think you'll figure me out tonight, but I don't care B

[Refrão]

E And I wonder if I'm just built this way B

E Cause every man that I know makes me feel like I'm to blame Gb

E When it's over me and my selfish ways B

Abm Am E Go back to start again

Abm Am E Go back to start again

E Did you ever feel like you should have said something smarter at the time? B

E Did you ever feel like you should have kept it all to yourself? B
