

Samba do Feitiço - Samba da Vida

tom:

C

[Primeira Parte]

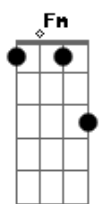

Era mês de março, o verão então findava
 Não pude conter as lágrimas da imensa dor
 Ao ficar assim longe de quem tanto amava
 Me senti tão triste como um vaso sem flor
 Mas como faz falta um carinho e um abraço

Solitário fico, não sei bem nem o que faço
 Mas como faz falta um carinho e um abraço
 Solitário fico, não sei bem nem o que faço

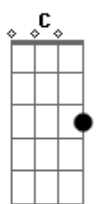

[Segunda Parte]

Eu era feliz quando com minha gente cantava
 O samba da vida, que a vida entoava
 A sabedoria me ensinou a dizer não
 Para essas coisas que machucam o coração
