

# Sambaiana - Santo Toque

tom:

A

Queria sim só enxergar caminhos

Sol quente e passarinhos

Amor, eu e você

Você em mim é mais que paraíso

É tudo seu sorriso

Um novo amanhecer

Olhar que mira

Voz que acalanta

O seu colo é minha paz

Dm

Mãos que acalmam

E o amor sussurra

Esquenta minh'alma

E o corpo pulsa

Haja luz

Haja encanto

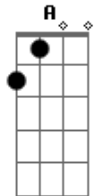

Meu canto é pra você

Haja beleza

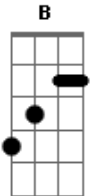

Desejo um tanto

Santo toque, haja querer
