

Sambô - Sentimento Que Dói

Tom: A

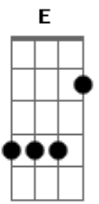

E
 Meus olhos não querem secar
 Meu coração não quer parar de doer
 E
 Meu corpo insiste em me lembrar
 Quando eu me sinto arrepiar por você
 Sentimento que dói, aqui dentro destrói
 Qualquer tipo de explicação

Seja lá o que for, se é paixão ou amor
 Tá ardendo o meu coração
 Me sinto um navegante perdido no mar
 Sem saber pra onde o vento vai soprar
 Me sinto um viajante solitário no céu
 Sem poder a mais linda estrela tocar
 Apenas aprendendo o que é o amor
 O que é amar
