B
 You need the time
 D
 Just to realize
 D
 That losing time you can see
 E
 It passes through your eyes
 B
 The bad feelings
 D
 That people hide
 D
 We lose time just to perceive
 E
 The time they steal
 A
 Nobody feels what you already feel
 Am
 No one can make it for you, no decision
 Am7
 You learn a thing that becomes so real
 E
 New moments look like in the old days
 B
 You got your bones calloused and so pure
 D
 Your trials have healed your wounds
 C
 You're so experienced, also they can fear
 E E7
 My dear
 Gb B
 You already live and they already stay tuned
 B
 You don't mind
 A2 B
 With the blades to grind
 A
 You just see their shine
 D
 Baby you look so fine
 E
 No people let you down
 B
 You define
 A2 B
 Everything I like
 A
 When I'm by your side
 D
 Baby you give no time
 E
 To people let you down
 A
 You never talk about self esteem
 Am
 Cos this is so diluted in your life
 Am7
 You see reality inside a dream
 E
 Where everything is undefined
 B
 You know how much i've asked you
 D
 How to escape this crossfire

C
 I saw myself like you said to do
 E E7
 I look
 Gb B
 Myself first to enjoy this ride
