

Samm Henshaw - Broke

tom:

G

Intro: G G

It's been a week from hell
I lost my job at Five Guys

My girl just kick me out
She says I'm lame

Maybe she's got a point
Who gets the sack from Five Guys

She thinks I'm so incapable of change

But I can cut down on my sleep
Give you what you need
Take time and make time girl

I can stop procrastinating

Be a little more prepared
Show you that I care
I love you I swear girl

Oh oh oh oh ohh

But tell me

[Refrão]

If I wasn't broke
Would you spend more time with me

Like you said you'd do
Oh yeah

Tell me what I'm supposed to do
Cos the only thing I need

Is to be loved by you

[2ª Parte]

I'm starting out my seventh day
Of sofá surfing

Parading in my Calvin's with no shame

(Good lord)

I sit and think to myself
I've hit the low

But look around and see no one to blame

Maybe I can cut down on my sleep
Give you what you need
Take time and make time

Ah I can stop procrastinating

Be a little more prepared
Show you that I care

I love you I swear girl
Oh oh oh oh ohh

But tell me

[Refrão]

If I wasn't broke
Would you spend more time with me

Like you said you'd do
Oh yeah

Tell me what I'm supposed to do
Cos the only thing I need

Is to be loved by you

Oh oh oh oh oh oh oh oh oh
(One more time sing)

Oh oh oh oh oh oh oh oh oh

If I wasn't broke
Would you spend more time with me

Like you said you'd do

Tell me what I'm supposed to do
Cos the only thing I need

Is to be loved by you

Oh oh oh oh oh oh oh oh oh

Oh oh oh oh oh oh oh oh oh

Acordes
