

# Sammy Davis Jr. - Hello Detroit

tom:

C

You're a fighter, you're a lover  
 You're strong and you recover  
 From whatever gets you down  
 And there's so many many reasons  
 Any time, any season  
 Is the right time, to be with you

C  
 Hello Detroit  
 You've won my heart  
 Your renaissance, and waterfronts  
 Give you a flare of your own  
 Irresistible you  
 Hug and kissable you  
 You're alive with so much feeling  
 And I will always, be there for you  
 I will say, a little prayer for you  
 And I will always care for you

C  
 Hello Detroit  
 You've touched my soul  
 Thanks for the memories I cherish so  
 Winter, Spring, Summer and Fall  
 You've got it all  
 Hello Hello Hello  
 Hello Detroit

C  
 On a stroll through Belle Isle Park  
 Greektown after dark  
 You instill in the young, the will to become  
 Stars and champions  
 Hello my friend  
 How have you been?  
 It's in the air  
 It's everywhere  
 The magical touch of you  
 Irresistible you  
 Hug and kissable you  
 You're alive with so much feeling  
 And I will always, be there for you  
 I will say, a little prayer for you  
 And I will always care for you  
 Hello  
 Big D  
 Motor City  
 And the Motown sound that's got the whole world singin'  
 And I will always, be there for you  
 I will say, a little prayer for you  
 And I will always care for you  
 Hello Detroit
