De quantos girassóis você precisa pra voltar

Sua ausência até confundiu minha rotina toda

Ei, no final das contas vi, você tinha razão

Eu brinquei com a sinceridade, e mesmo assim

Ei, lembra que o nosso plano B era gostar do mundo

Vendo suas regras e chatices da nossa janela

Mas sempre doando e recebendo coisas belas

Mas na hora de retribuir o ganho que usufruí estando do seu lado

Eu fui cometendo erros tão tamanhos que só sobra este fato

Ta machucado, tá bem ferido, tá sem noção ( tá na solidão)

Tá consumado, é um bandido meu coração, meu coração, meu coração
