

Samuel Hum - Pra Minha Sorte

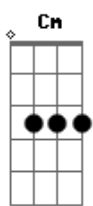

tom:

Em

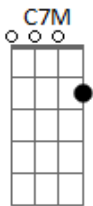

Eu vi que não foi a troco de nada que eu me entreguei
 Deus que me perdoe se um dia na estrada eu sozinho andei
 Quem diria assim que te encontrar seria bem melhor que imaginei
 Mas agora eu sei
 Que eu vou ter no fim do dia tua companhia

Tirando a solidão desse meu coração
 Que depois da tempestade tem sua amizade
 A quase por um triz fazendo eu ser feliz
 Quase no fim do caminho você viu meu norte
 A minha sorte, a minha sorte
 Entre pedras e espinhos você foi mais forte
 Pra minha sorte, pra minha sorte
