

# Samuel Jack - Carry You Through

tom:

Intro: F F F F  
F F F

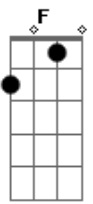

F F F F  
I knew from the start  
F F F F  
You'd light up the dark  
F Dm  
And I'm still surrounded  
Bb  
And bounded tonight  
Bb F  
By the warmth of your glow  
( F )

Gm  
We couldn't be closer  
Bb  
But still out of reach  
Gm Bb  
But I'll never let go of you and me

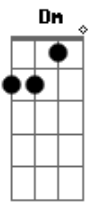

Bb F F  
Coz all that I am  
F F F  
Is made up of you  
Dm Bb  
So call when you need me, I'll be there  
F F  
To carry you through  
( F F F )

F F  
All of your days  
F F  
When skies turn to grey  
Dm  
I'll be the wind that you need  
Bb F F  
To blow all of those dark clouds away
