

# San Cisco - Hey Did I Do You Wrong

Tom: E

Intro: A E A E  
A E A E

A  
We met when we were 16  
B  
You'd never see us apart  
A  
Life was filled with salt and sunscreen

B  
And nothing was ever that hot

A  
We liked that

B  
What we have right now

A  
Isn't like that

B  
Tell me honestly

A E  
Hey, did I do you wrong?  
Or is it more about

A E  
You need a change of scene

A E  
All you need is a touch

With who you used to be

A  
Or do you need someone

E  
In your life that I can't be?

( A B A B )  
( A B A B )

A  
I know that the love of your dreams

B  
Was your priority

A  
Now I only see you when they leave

B  
I know what that means

A  
So I didn't fight that

B  
I never thought

A  
You would be like that

B  
Did they pull you away?

A E  
Hey, did I do you wrong?

Or is it more about

A E

You need a change of scene

A E  
All you need is a touch

With who you used to be

A  
Or do you need someone

E  
In your life that I can't be?

( A E A E )

A  
Now you move in a different circle

B  
I'm on the road and never local

A  
So you never got time for me

B  
We don't even speak

A  
I don't like that

B  
Yeah, I never thought

A  
We would be like that

B  
Tell me honestly

A E  
Hey, did I do you wrong?

Or is it more about

A E  
You need a change of scene

A E  
All you need is a touch

With who you used to be
