

San Cisco - Wild Things

Tom: A
Intro: Em A D G

Em A
The wild things will chase you down
D G
They'll steal your throne and break your crown
Em A
Don't ever look them in the eyes
D G
You'll only find a nest of lies

D G
Try to stay away
Em
From where the wild things play
A
La la la la la

Em
You've got the hatred that you
A
You've always hated in you
D G
You've got to face them now

D G
Try to stay away
Em
From where the wild things play

La la la la la
D G
Try to stay away
Em
From where the wild things play
A
La la la la la

Em A
If you waltz with the wild things
D G
They'll break your nose and steal all your things
Em A
And it gets worse, late at night
D G
After the long day, when you can't fight

(Em A D G)
(Em A D G)

Em
You've got the hatred that you
A
You've always hated in you

D G
You've got to face them now

D G
Try to stay away
