

# Sandi Patty - Another Time Another Place

Tom: C  
Intro: F G C

I've always heard there is a land  
Beyond the mortal dreams of man  
Where every tear will be left behind  
But it must be in another time  
There'll be an ever... lasting light  
Shining a purest holy white  
And every fear will be erased  
But it must be in another place

So, I'm waiting for another time and another place  
Where all my hopes and dreams will be captured  
With one look at Jesus' face  
Oh, my heart's been burnin'  
My soul keeps yearnin'  
Sometimes I can't hardly wait  
For that sweet, sweet someday  
When I'll be swept away

To another time and another place

I've grown so tired of earthly things  
They promise peace but furnish pain  
All of life's sweetest joys combined  
Could never match those in another time  
And though I've put my trust in Christ  
And felt His Spirit move in my life  
I know it's truly just a taste  
Of His glory in another place

So, I'm waiting for another time and another place  
Where all my hopes and dreams will be captured  
With one look at Jesus' face  
Oh, my heart's been burnin'  
My soul keeps yearnin'  
Sometimes I can't hardly wait  
For that sweet, sweet someday  
When I'll be swept away  
To another time and another place
