

# Sandiego & Rafael - Quatro Estações

Tom: B

Amor de beija-flor, "tô fora",  
 Chega suga o meu mel e vai embora  
 Amor de carnaval é assim  
 Quatro dias, quatro noites depois foge de mim

Amor de primavera são flores  
 É como o sol no verão  
 No outono e no inverno é assim  
 Se arrepende depois volta pra mim

E agora, "tô fora"  
 Cansei de dar meu coração  
 Se quiser amor verdadeiro  
 Tem que ser nas quatro estações
