                                                                  B (forma dos acordes no tom de G )
                                                                                                                                                                                                                                                                          A broken road, paved with shattered dreams
Capostraste na 4º casa
                                                                                                                                                                                                                                                                           Yet I gathered the pieces, stitched the seams
                                                                                                                Gadd9
                                                                                                                                                                                                                                                                                                                                                                                              Bm
In the shadows of doubt, I once stood % \left( 1\right) =\left( 1\right) \left( 1\right) \left
                                                                                                                                                                                                                                                                           Through tears and sweat, I rebuilt my soul
                                             Gadd9
                                                                                                                                                                                                                                                                           Found strength in the broken, took back control
Lost in the maze of life, misunderstood
                                                                                                    Bm
But I found a fire within my soul
                                                                                                                                                                                                                                                                                                                       Gadd9
                                                                                                                                                                                                                                                                           There were moments I stumbled, moments I fell
A strength that whispered, "You can take control"
                                                                                                                                                                                                                                                                                                             Gadd9
                                                                                                                                                                                                                                                                           But with each setback, I found my inner yell
                                                                                                                                                                                                                                                                                                                                                                                            Bm
Through the storms and the darkest night
                                                                                                                                                                                                                                                                           I rose from the depths, a fighter reborn
                                                                                           C
I held onto hope, I fought the fight
                                                                                                                                                                                                                                                                          A warrior of life, no longer torn
                                                                                   Bm
With every scar, I learned to heal
                                                                                                                                                                                                                                                                          So here I stand
        Am
                                                                                         D7
Embracing the pain, my truth revealed
                                                                                                                                                                                                                                                                               G Eb
                                                                                                                                                                                                                                                                           Stronger
