

Sandy e Junior - Malia (da trilha de Terra Nostra)

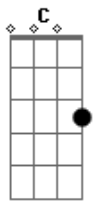

Tom: C

Intro: C G C G C G C G F C G C

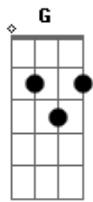

Cosa c'era ne'l fior che m'hai dato?
 Forse un filtro, un arcano poteri
 Ne'l toccarlo, il imo core há tremato
 M'há l'olezzo turbato'l pensieri
 Nelle vaghe movenze che ci sai
 Un incanto vien forse con te?
 Freme I'aria per dove tu vai spunta un fiore
 Ove passa'I tuo pièi
 Freme I'aria per dove tu vai
 Spunta un fiore ove passa'I tuo pièi
 Io non chiedo qual plaga beata
 Fino adesso soggiorno ti fu

Non te chiedo se ninfa, se fata
 Se una bionda parvenza sei tu!
 Ma che c'è ne'l tuo sguardo fatale?
 Cosa ci hai ne'l tuo magico dir?
 Se mi guardi, um ebrezza m'assale
 Se mi parli, mi sento morrir,
 se mi guardi, um ebrezza m'assale
 Se mi parli, mi sento morrir!
 SOLO :
 Non te chielde se ninfa, se fata, se una bionda pervenza sei tu
 Ma che c'è ne'l tuo sguardo fatale?
 Cosa ci hai ne'tuo magico dir?
 Se mi guardi, um ebrezza m'assale
 Se mi parli, mi sento morrir
