

Sandy e Junior - Whenever You Close Your Eyes

Tom: Eb
Intro: Bb Eb (2x)

Bb Dm Cm
I need to know that I am in your world
That I am in your world baby
And I gotta know that I am in your heart
No matter where you are, wherever you go, oh baby
I hear you saying that you love me
I feel you touch me in the night
But that don't mean that I mean something in your life baby
Whenever you close your eyes
I want it to be my face that you see
When you go to sleep at night
Whenever you dream, I wanna know you're dreaming of me
So hard to know, wish I could read your mind
Wish I could read your mind and see in you heart
Am I there, the way you're there with me

Ab F Gm F Bb
You're everywhere with me, wherever I go, oh baby
