

Sandy - Meu Disfarce (part. Xororó)

tom:

Intro: Gm D Gm Bb

Você vê esse meu jeito, de pessoa liberada
 Mas não sabe que por dentro, não é isso eu não sou nada
 Tenho ares de serpente, mas em caso de amor
 Sou pequeno sou carente, sou tão frágil sonhador
 Eu me pinto e me disfarço, companheiro do perigo
 Eu me solto em sua festa, mas sozinho eu não consigo

Digo coisas que não faço, faço coisas que eu não digo
 Quero ser o seu amado, não somente o seu amigo

Cada vez, que eu sinto um beijo seu na minha face

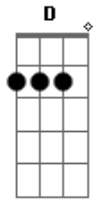

Eu luto pra manter o meu disfarce
 E não deixar tão claro que te quero

Cada vez, se torna mais difícil o meu teatro

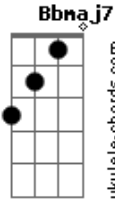

Não dá mais pra fugir do seu contato

Estou apaixonado por você
