

Santa Jam Vó Alberta - Carson Lake Reno

tom:

A
When I've got Dan I said god damn
When I've got married I said yes, Mary
When I've got to choose I was stuck to lose

A
I watch movies from the end
I still awake when I can
The west side sounds for me
The best place where I would be

A
We like Carson from the begin
The best place that we ever seen
The mountains seems like ours
But we were in love about dead flowers

A
Lake Tahoe by the lake
Brings me my own mistakes
Like Yosemite through the trees
And at night we felt that breeze

B Db7 D7
And I like Reno

D Because there Johnny Cash killed a man
A I tried to go to Tuolumne
Into the wild don't you know what I mean?
I tried to figure out all my life
Fixing some points with my old wife

A
I was telling her what I was
To make her understand because
I was digging my own grave
Just to buried my past of disgrace

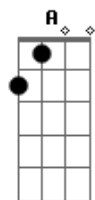

B Db7 D7
Cuz We like Reno
D Because there Johnny Cash killed a man

[Solo] **A**
