

Santana Mahan - Dores da Alma

Tom: A

Intro: A Bm7 E7 Dbm7 Gb7 Bm7 E7 A

A

As dores da alma

Nos chegam e nem sempre Avisam que vão chegar

Às vezes nos pegam Em momentos felizes E elas estão lá

Só sei que temos que entender

A dor invisível que faz sofrer

Só sei que temos que ajudar

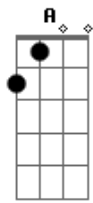

Dando atenção e muito amor A quem precisar (REFRÃO)

Prestar atenção Quando alguém ao seu lado

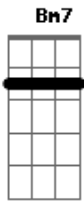

Se sente infeliz

Se é passageira a dor Ou se leva esse alguém a se isolar
