

Santana Mahan - Já Passou

Tom: C
Intro: C G F G

C
Já passou, já passou
Deixe essa tristeza para lá
Já passou, já passou
Permita o amor te alegrar
C
Já passou, já passou

Que tipo de lição vamos tirar
Já passou, já passou
A vida encontra um jeito de ensinar
Tome as rédeas da sua vida
Caminhe sempre ao lado do bem
Preste atenção nas lições diárias
Que com a vida vem
