

Santana Mahan - Mãe de Luz

Tom: C

Intro: C C C F F F Dm D Dm G

Mãe Maria luz em meu viver

Mãe de todos sempre a nos guiar

Vimos aqui te abraçar

O Seu amor puro e materno ilumina

Ilumina, ilumina, ilumina nossa vida Mãe de Luz (2X)

Tantas estrelas, Tantos espíritos

E o Amor Te escolheu

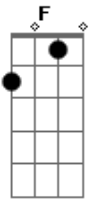

Para abrigar a Luz do Mundo
 Tu és Sinônimo de amor oh Mãe de Luz
 Ilumina, ilumina, ilumina nossa vida Mãe de Luz

Vem nos guiar agora e depois
 Ensina-nos a viver como irmãos
 Estamos aqui a lhe pedir
 Fortalece nossa fé oh Mãe de Luz
 Ilumina, ilumina, ilumina nossa vida Mãe de Luz
