

Santana - Hold On

Tom: **Bb** Enter vocal "We'll have to concentrate.."

Chords used: (2:46) (2:54)

Gm **Dm** **Eb**
Don't rush me just this once
Cm **D** **Gm**
I want to make this moment last
Dm **Eb**
Slow down the pace, there's no hurry
Cm **D** **Gm** **Dm**
I can't let another pass by me again
Eb **Bb** **D**
Let me be the one to say when I've had enough

Just let me close my eyes, memorize
The way things are this minute
So when you're gone I can go on
If memory can hold within it what I'm feeling
Should time try fading or stealing something away

CHORUS:
Eb2 **F**
Hold on, nothing's the same
D **Gm2** **F**
Tell me why I feel this way
Eb **Bb** **Dm** **F** **Bb**
Life wouldn't be worth living without you
Eb2 **F**
All along I've been the pretender
D **Gm2** **F**
But now that's gone forever
Eb2 **Bb** **Dm**
Nobody's ever loved me like you do
D
Nobody's broken through

Got to concentrate, file away
Every last detail
Don't want to lost what's going down
I want to remember everything I'm feeling

(3:31) quiet and quick (3:33) Change pickup to neck

As Carlo's guitar screams the notes into the stratosphere
I found this hard to tab; my guitar only has 21 frets so
I had to fret the e string on the neck pickup and
pick it to try to produce a 24. Therefore I am sort of
guessing here.
